Explanation for REMC Bible & Ministry Training Bursary

This Bible & Ministry Training Bursary reimburses a portion of approved tuition costs for students who have demonstrated active participation within the Rosenort EMC Church family. Applications are available from the Youth Pastor and must be submitted within the first month of classes for each semester/program of studies. Bursaries will be awarded at mid-term; equivalent to 15% of tuition in 1st year, 20% in 2nd year, 25% in 3rd & 4th year (using the current tuition cost per credit hour of our conference Bible college as the standardized rate). The approximate credit value of classes at unaccredited programs will be individually determined according to college expectations of 10 class hours and 20 homework hours per credit hour. Unless otherwise requested, the applicant will also be added to the REMC prayer list. The REMC Ministerial reviews & approves applications.

We are blessed to financially support your Bible & Ministry Training. We would also enjoy being able to support you in prayer! We encourage you to keep us updated about your experience; either by sending the church secretary a note to include in the bulletin, standing up to share in a church service when you are home for a weekend, or sending a note home to a parent/friend to share on your behalf.
